Questions for Further Reflection:

- *What should submission to authorities look like for Christ's followers today?*
- *Peter calls believers to "respect" the emperor, but to "be in respectful fear" of God.*
  - *How do these two attitudes differ? What is the difference in how people think and act?*
- *This passage isn't the only place in the New Testament where believers are challenged with the idea that living as God's slaves is actually freeing.*
  - *How have you found this to be true in your life?*
