Questions for Further Reflection:

- *On an average day, what are 5 to 10 desires you spend the most time trying to acheive? Consider tangible things like food and intangible things like rest or approval.*
- *Take some time to think and pray about each desire.*
- *How do you think God feels about each of these desires?*
- *Would God prefer that you:*
  - *Pursue and enjoy this desire together, e.g. could you tell God, "Thank you" for it?*
  - *Lay this desire down knowing that God has better for you?*
  - *Do both? Enjoy this with God to a degree, but lay it down before it becomes excessive and harmful.*
